เรื่อง Cinderella

บทที่ 1 Cinderella

I'm sorry mother. I'm sorry. It's just no use, no use at all. I said I'd have courage, but I don't. Not anymore, not anymore.

Oh, well, what's a royal ball? After all, I suppose, it would be dull, and boring and completely.... Completely wonderful. But if you could be a beggar woman not five minutes ago and now you are my fairy godmother, then anything is possible, right?

บทที่ 2 Prince

I'm not 'the prince', exactly. There are plenty of princes in the world. I'm only a prince. Certainly Kit is my name and my father still calls me that. Please forgive me. I thought you might treat me differently if you knew I mistook you for a good, honest country girl. And it would give me the greatest pleasure if you would do me the honor of letting me lead you through this, the first dance.

บทที่ 3 King

Well, hello good morning. It's a very fine day, isn't it? Oh, I'm going to be a grandfather and he is going to call me grand-daddy. Oh, how cute he is and how happy will I be. So, he proposed already, right? We have more important things to discuss. Arrangements for the wedding, invitations, a national holiday.. all those sorts of things.

บทที่ 4 Duke

Yes, quite so. It is upon this day decreed, that every lady throughout the kingdom without exception shall try on her foot, this slipper of glass, and should one be found upon whose foot this slipper shall properly fit, such lady shall be looked upon as the true love of his Royal Highness, our beloved son and heir, the noble Prince.

บทที่ 5 Step-mother

The glass slipper is their only clue. The duke has been ordered to try it on every girl in the kingdom. And if one can be found whom the slipper fits, then, by the King's command, that girl shall be the Prince's bride.

Girls, girls, that's quite enough. It would ruin us to be seen arriving with a ragged servant girl. Because that is what you are. And that is what you will always be. Now mark my words! You shall not go to the ball. Hurry along now, both of you. Good night, Cinderella.

บทที่ 6 Anastasia & Drizella

Take my dress, here, mend the button holes. And this too, don't forgetPress my skirt and mend the ruffles. I don't see why everyone else has nice things to wear, And I always end up in these old rags. This sash! I wouldn't be seen dead in it.

Oh, well... you know how it is, dancing all night. I can't understand why. It's always fit perfectly before. You have to push just a little bit harder.

Up! Up! You go. Be careful! My foot's a bit swollen. You know these glass shoes aren't always reliable. Why can't you hold still a minute?

บทที่ 7 Fairy Godmother

Wait, wait, I think I forgot something. Remember, the magic will only last at the last stroke of midnight. Then the spell will be broken, and all will return to what it was before. Bless you, my child. Goodness me! It's getting late. Hurry up, dear, the ball can't wait. Have a good time. Dance, be happy, now, off you go, you're on your way.

บทที่ 8 Announcer

Your Majesty, Your Royal Highness, My Lords, ladies and gentlemen, distinguished visitors and people of our land, the prince shall now choose his partner for the first dance. Let our ball commence!

บทที่ 9 บทอื่นๆ

It seemed to Cinderella that her stepmother and her stepsisters had indeed transformed her into a creature of ash and toil. Run! Run quickly! Go! Get away from this house! Cinderella started running into the woods. If she had not run to the forest, she might never have met the prince.

เรื่อง Cinderella

เพลงที่ 1 Put on a happy face (from the Broadway Musical “Bye Bye Birdie”)

https://www.youtube.com/watch?v=ZBY7YJGH_oY&feature=youtu.be

Gray skies are gonna clear up
Put on a happy face
Brush off the clouds and cheer up
Put on a happy face
Take of the gloomy mask of tragedy
It's not your style
You'll look so good that you'll be glad
You decided to smile

Pick out a pleasant outlook
Stick out that noble chin
Wipe off that full-of-doubt look
Slap on a happy grin
And spread sunshine all over the place
Just put on a happy face
Put on a happy face, put on a happy face

And if you're feeling cross and bickerish
Don't sit and whine

Think of banana splits and licorice
And you'll feel fine I knew a girl so gloomy
She'd never laugh or sing
She wouldn't listen to me
Now she's a mean old thing
So spread sunshine all over the place
Just put on a happy face

เพลงที่ 2 Impossible (by Roger & Hammerstein)

<https://www.youtube.com/watch?v=0swh9HAaaa8&feature=youtu.be>

** Impossible, for a plain yellow pumpkin
To become a golden carriage!
Impossible, for a plain country bumpkin
And a prince to join in marriage

And four white mice
Will never be four white horses
Such fol-de-rol and fiddledy dee dee
Of course is..... Impossible!

But the world is full of zanies and fools
Who don't believe in sensible rules
And won't believe what sensible people say
And because these daft and dewy-eyed dopes
Keep building up impossible hopes
Impossible things are happening every day!**

Impossible! (7)

Cinderella: But if you could be a beggar woman not five minutes ago, and now you're
my fairy godmother... then anything is possible, right?

Godmother: I supposed so! Cinderella: Then you can change it all! You can make it all happen!
Godmother: No, but you can change it all! You can make it all happen!
Cinderella: Oh, no...never...I couldn't....

Godmother: You're right. It's all so....
(repeat **)

Cinderella: It's the most beautiful gown I've ever seen. It's like a dream come true!

Godmother: And for the final touch, a glass slippers. And now Cinderella, I must tell you, all of this magic is very powerful, But it will end at midnight tonight. Now, go! Go forth in the name of every girl Who has ever wished to go to a ball in a beautiful dress!

In the name of every girl who's ever wanted to change the world she lived in, Go with the promise of possibility!

It's possible (7)

It's possible, for a plain yellow pumpkin
To become a golden carriage!
It's possible, for a plain country bumpkin
And a prince to join in marriage

And four white mice are easily turned to horses
Such fol-de-rol and fiddledy dee dee
Of course is quite possible
For the world is full of zanies and fools
Who don't believe in sensible rules
And won't believe what sensible people say
And because these daft and dewy-eyed dopes
Keep building up impossible hopes
Impossible things are happening every day
It's possible

เพลงที่ 3 Tonight (From the Broadway Musical "West side Story")

<https://www.youtube.com/watch?v=6qKzdNROliY&feature=youtu.be> (นาทีที่ 1.07-2.10)

Tonight, tonight, won't be just any night,
Tonight there will be no morning star
Tonight, tonight, I'll see my love tonight.
And for us, stars will stop where they are.

Today the minutes seem like hours,
The hours go so slowly,
And still the sky is light

Oh moon, grow bright,
And make this endless day endless night!
Tonight

Today, the world was just an address
A place for me to live in
No better than alright

But here you are,
And what was just a world is a star
Tonight

เพลงที่ 4 Where is love (from the Broadway Musical “Oliver”)

<https://www.youtube.com/watch?v=8qDbpznqH4s&feature=youtu.be>

Where is love?
Does it fall from skies above?
Is it underneath the willow tree
That I've been dreaming of?
Where is she?

Who I close my eyes to see?
Will I ever know the sweet "hello"
That's meant for only me?
Who can say where she may hide?
Must I travel far and wide?
'Til I am beside the someone who
I can mean something to ...
Where...?
Where is love?
Who can say where...she may hide?
Must I travel...far and wide?
'Til I am beside...the someone who
I can mean...something to...
Where?
Where is love?
