Wattana Wittaya Academy Announcement

W.W.A. 2/2023

Subject: Defensive measures for particulate matter (PM 2.5)

Due to the ongoing particulate matter (PM 2.5) condition that affects public health at large, Wattana Wittaya Academy concerns about the students' well-being and would like to affirm the defensive measures as per followings;

1. Cancel all outdoor activities in all three levels.
 - 1.1 The students would line up for the national anthem in the building.
 - 1.2 Physical Education would be focusing on the theory for the time being.
 - 1.3 Students stay in class during recess.
 - 1.4 During lunch break, the students should stay in the classroom or library.
2. The school maintains the purifier, using HEPA filter, for maximum efficiency in every classroom
3. The school provides the mist spray at the student's delivery spots daily.
4. Supervise the students to wear mask at all time.

The school shall estimate the situation closely and shall resume the outdoor activities once the condition gets better.

It is hereby announced for general information.

Announcement is done on 3 February 2023.
